

### Leather biocides

Product	Chemical nature	Dose
---------	-----------------	------

#### Microencapsulated Biocides

MIRECIDE®-KAP/800	Encapsulated fungicidal preservative based on thiocyanomethylthiobenzothiazole	0.02-0.3% on skin weight
MIRECIDE®-KAP/8010	Encapsulated fungicidal preservative based on thiocyanomethylthiobenzothiazole and a non-halogenated isothiazolone.	0.02-0.3% on skin weight

### Biocides

MIRECIDE®-TC/25.V	Fungicide based on thiocyanomethylthiobenzothiazole in an organic medium.	0.02-0.3% on skin weight
MIRECIDE®-TC/38.AQ	Fungicide based on thiocyanomethylthio benzothiazole in an aqueous medium.	0.02-0.3% on skin weight
MIRECIDE®-TC/61.CUR	Fungicide based on thiocyanomethylthio benzothiazole in an aromatic solvent.	0.02-0.3% on skin weight
MIRECIDE®-TC/61.AR	Thiocyanomethylthiobenzothiazole-based fungicide in organic medium	0.02-0.3% on skin weight
MIRECIDE®-TC/50.ST	Fungicide based on thiocyanomethylthio benzothiazole in organic media	0.01-0.2% on skin weight

MIRECIDE®-TC/81.V	Fungicide based on thiocyanomethylthiobenzothiazole in an organic medium.	0.02-0.3% on skin weight
MIRECIDE®-TOC/16.AQ	Fungicide based on thiocyanomethylthiobenzothiazole and a non halogenated isothiazolone in aqueous medium.	0.02-0.3% on skin weight
MIRECIDE®-TOC/25.V	Fungicide based on thiocyanomethylthiobenzothiazole and a non halogenated isothiazolone in organic medium.	0.02-0.3% on skin weight
MIRECIDE®-TOC/29.V	Fungicide based on thiocyanomethylthiobenzothiazole and a non halogenated isothiazolone in organic medium.	0.02-0.3% on skin weight
MIRECIDE®-TOC/29.AQ	Fungicide based on thiocyanomethylthiobenzothiazole and a non halogenated isothiazolone in aqueous medium.	0.02-0.3% on skin weight
MIRECIDE®-TC/500.STN	Fungicide based on thiocyanomethylthiobenzothiazole and a non halogenated isothiazolone in organic medium.	0.05-0.1% on skin weight
MIRECIDE-KW/600.X	Based on stabilized isothiazolinones in aqueous media.	0.1-0.5% on skin weight
MIRECIDE®-KW/1200.AQ	Fungicide based on a non-halogenated isothiazolone in aqueous medium	0.02-0.3% on skin weight
MIRECIDE®-SR/50	Dithiocarbamate in aqueous solution with bactericide-fungicide action	0.1-0.5% on skin weight
